Bat Requirements: USABat Standards

All bats used in Wilshire Warriors PONY Baseball recreational league play or PONY All Stars must meet the following standards

All bats must have a USABat stamp, with only the following exceptions:

1) Drop-3 BBCOR-certified bats do not need a USABat stamp;
2) Older tee-ball bats with a sticker from the USABat Tee Ball Sticker Program, when used with compression ("safety") baseballs, do not need a USABat stamp. However, stickers were only sold in the prior year. If you have not already purchased one for your old bat, then you'll need a new tee-ball bat with a USABat stamp.)
3) Wooden bats do not need a USABat stamp. However, composite wooden bats do need a USABat stamp.
